TOGETHER, WE BRING HEALTH AND HOPE TO HAITI

When you partner with Higgins Brothers Surgicenter for Hope, you become part of a compassionate community bringing healing where it's needed most. Your generosity reaches far beyond borders, providing lifesaving care and renewed hope for families in Haiti.

Every gift makes a remarkable difference: \$50 can provide a safe baby delivery or hernia repair, \$500 supports an operating nurse for a month, and \$1,000 provides a month of care from a pediatrician or internist. Together, we are transforming lives, strengthening communities, and building a healthier future. Thank you for considering this life-changing investment.

Individuals and companies are recognized with event signage, social media posts, name/logo on our website, and special acknowledgement at the event. Each sponsorship includes the designated number of guests to the Friday reception and player entries at the Saturday tournament.

BRINGING LIFE-SAVING SURGERY, MEDICAL CARE, AND HOPE TO THE PEOPLE OF HAITI.

Thank you for considering this opportunity to support life-saving surgical and medical care to the people of Haiti.

Your support not only restores health and hope to people living in the poorest country in the Western hemisphere, it helps develop a solution to the critical shortage of surgeons in Haiti.

100% OF EVENT COSTS
ARE GENEROUSLY
SPONSORED
SO YOUR
CONTRIBUTION DOES
THE MOST GOOD!

It's hard to imagine that seemingly "everyday" kinds of medical care such as the delivery of babies or minor medical procedures are inaccessible to people who are suffering. But in a country where people survive on less than \$1.25 a day, accessing these and other major medical procedures would be impossible for the vast majority of families if not for our surgicenter and clinics.

The Surgicenter and clinics employ 100 Haitian team members - physicians, nurses, and other medical staff - to care for more than 20,000 patients each year, nearly a third of whom are children.

Named for my father and uncle, both surgeons who practiced in upstate New York, the Surgicenter is truly a beacon of hope for people who travel from distances near and far to receive life-giving, life-saving care. Our services are free of charge, though the few who can afford to pay something, always do.

The Hit For Haiti event is one of the many ways individuals and businesses in our community can align with an organization that does so much for people who have so little.

Many thanks for your consideration.

Ted Higgins, M.D., Founder and Chairman
